Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants' representative and the examiner discussed possible amendment to claims that would place them in condition for allowance. The examiner indicated that the after final amendment filed on 1/6/05 creates new issues such as new matter and written description, and suggested to amend the claims as indicated in the final office action to overcome the enablement rejection of the record.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
